THE MICL STORY

Founded in 1964, the MICL Group boasts an impressive lineage spanning over 5 decades, symbolizing unparalleled experience, trust, and holistic growth. Originating as engineering contractors, we've undertaken and successfully completed numerous challenging landmark projects throughout India. As we continually expanded our engineering capabilities, we ventured into cutting-edge domains of hardcore engineering, redefining the very essence of 'Luxury Lifestyle' to meet global standards. Armed with a heritage of expertise and an unwavering commitment to luxurious living, we are positioned to emerge as the modern market leader, in shaping lifestyles.

Our diverse portfolio encompasses ports, infrastructure, residential townships, commercial endeavours, institutional developments, IT complexes, and visionary lifestyle residences. In over 10 years of operation in the real estate sector, we have built exceptional projects in India and we are now foraying across the globe to create lifestyles and engineer happiness. At the MICL Group, we build with consistent quality and trust, to form a legacy that will echo into the future so you 'Live Better.'

Our real estate company expands, with ambition that soars.

Shreepati Group is a leading Real Estate Company in South Mumbai. The innovation-led, future-focused company was established in 1984.

The company continues to remain a major real estate player in Mumbai since its entry into the sector in 1987. Since then, the group has undertaken redevelopment projects of several old and dilapidated buildings with a cluster approach, constructing high-rise residential towers with commercial complexes in South Mumbai.

Having completed more than 10 million square feet of construction, the company today has more than 20 mega projects in the pipeline and is being recognized as a High Rise Developer having put up three high-rise towers, each over 35 storied structures.

Shreepati Group plays an important role in keeping with the government's vision for the future; a role that will see it change the Mumbai skyline forever, and that is just the beginning of Shreepati Global.

WHERE SEAS SWELL INTO SKYLINES

Nestled in the folds of the Mumbai harbour front, aaradhya avaan stands guard over a lush slice of the city. At leisurely distances from colleges, shopping arcades and hospitals, the twin aaradhya avaan towers capture Tardeo at the front and centre of an evolving South Mumbai.

A WORLD BEYOND

Novelty Blended With Innovation,
Art Blended With Design,
Patience Blended With Excellence,
Poetry Blended With Architecture.

These pillars lay the foundation of Aaradhya Avaan's inception.

THE MOST ELEGANT ADDITION TO SOUTH MUMBAI SKYLINE

In its most earnest sense, Aaradhya Avaan means worshiped waters. The Sanskrit term originates from a sense of belongingness to the gentle thalassic sea. In South Mumbai, we have envisioned it as a pinnacle of hope and innovation. Two skyrise towers, connected by a shared symmetry of belief and balance.

Aspiring to be one of the most iconic developments in South Mumbai. The project is composed of two towers: Oceano and Serano. Each contributes to the pinnacle of luxury, excellence and the embodiment of luxury-infused serenity.

Reaching for the skies, this magnificent development in South Asia boasts uninterrupted views of the Queen's Necklace, Arabian Sea, Racecourse & Marine from its glorious apartments, soaring high into the sky.

The flexibility to go high rise coupled with intricate design strategies have led to these strategically engineered towers shaping the skyline of Mumbai.
